COMMISSION ON NARCOTIC DRUGS
Thirty-eighth session
Vienna, 14-23 March 1995
Agenda item 7 *

MONITORING OF THE IMPLEMENTATION OF THE GLOBAL PROGRAMME OF ACTION AND THE UNITED NATIONS SYSTEM-WIDE ACTION PLAN ON DRUG ABUSE CONTROL

Strengthening system-wide cooperation and coordination in drug control

Report of the Executive Director

Corrigendum

Paragraph 18, pages 5 and 6, should read:

18. Execution of projects funded by UNDCP represents a specific cooperation modality. A relevant technical agency of the United Nations system is designated by UNDCP as executing agency and becomes as such a signatory to the relevant project document. Any United Nations agency can execute projects funded by UNDCP. UNDCP as funding agency retains responsibility for monitoring progress in project implementation based on structured financial and substantive reporting. The designated executing agency takes direct responsibility for project management and technical backstopping. A variation of the execution modality enables UNDCP to entrust the management services function to a partner agency while retaining substantive responsibility in UNDCP. Applying that approach, the Office for Project Services of the United Nations handles the management of most UNDCP activities in alternative development.
